

Tor des Géants®
Aosta, 9 September 2013

The organisation of the Tor des Géants® communicates with sincere condolence following an accident that happened during the night the decease of a participant descending the colle of Crosatie. The dynamics of the accident are not clear yet. The athlete has died of concussion.

The nationality of the victim probably is Chinese , legal verification is still ongoing.

First aid was immediately present. In the same time the medical team come up from the life base.

The runner together with other concurrents was on his way to reach Valgrisenche while a lot of other participants already had passed the life base and were directed to Cogne.

During the day the organisation will communicate more details and the dynamism of the tragic accident.
