18 SEPTEMBER 2022

All the numbers and awards of TORX®

A warm and sunny day welcomed the **awards ceremony** of the thirteenth edition of **TORX®**, the final act of the event organized by **VDA Trailers** which, after yesterday's eventful day, gave a huge embrace to all its Giants.

The **Bollino Park of Courmayeur** welcomed hundreds of trail runners ready to collect their prizes and parade with the finisher's medal and t-shirt, cheered by the always presents and tireless speakers **Silvano Gadin** and **Ivan Parasacco** and by the music of the *maestro* **Riccardo Ibba**, who animated these ten days from the Jardin de l'Ange and from the different corners of the Aosta Valley.

For **Alessandra Nicoletti**, president of VDA Trailers, the time has come for the usual final balance: **“It was a difficult and complicated TORX®, as always.** I would like to thank **all the working group** behind an event of this dimension, from the staff to the mountain guides, from the Volontor to the Massaggiator, to the brooms, to the race commissioners, as well as of course to the participants, their assistants and their families: all these people have allowed, despite the difficulties, to reach the end of these ten days and to celebrate. **Without them, TORX® would not be possible”.**

A total of **882 finishers** of the three TORX® races in the last week in the Western Alps, in Aosta Valley: **589 in the TOR330 - Tor des Géants®, 57 in the TOR450 - Tor des Glaciers, 236 in the TOR130 - Tot Dret.**
