

## TORX® eXperience keeps growing

After TOR130 - Tot Dret, GTC100 and the brand new Cursa di Ciclopi, **TORX® eXperience** keeps growing with a new international race. The sports, ethical and environmental values of TORX® eXperience meet Asia with the sixth edition of **The North Face® Malaysia Mountain Trail Festival**, fourth race of the VDA Trailers circuit.

The Malaysian race will be held **from 2 to 5 November 2023** in Esplanade (Taiping, in the State of Perak in West Malaysia) in the pristine trails into the Virgin Jungle Reserves in Taiping. The **100KM Ultra-Trail Challenge**, with 5.330 metres of elevation gain, will give 50 PAX, that means the possibility to 50 finishers of the race to register for **TOR330 - Tor des Géants® in 2024** without going through the draw, keeping on living a unique "eXperience".

*"We are glad to welcome our friends of the The North Face® Malaysia Mountain Trail Festival, the first Asian race of TORX® eXperience – said **Alessandra Nicoletti**, president of VDA Trailers. Many requests to join the circuit are arriving, but it is fundamental that the races meet the requirements and share our values".*

Not only the number of races is growing: it is now online [the new website](#) of TORX® eXperience, which collects all the races of the circuit with information and registrations. Through the website it is also possible, for organizers, to request to join the circuit of TORX® eXperience consulting [the whitepaper](#).
