TORX® eXperience enters the myth

Dreaming to be a “Giant” under the “Mountain of gods”. The **Salewa Olympus Mythical Trail**, the race at the feet of Mount Olympus, in Greece, is now part of **TORX® eXperience**.

The “[Mythical](#)”, born in 2012, is scheduled for **July 1st** and offers **30 PAX for TOR330 - Tor des Géants® of 2024**. It is a **110-km race with 7200 metres of ascent** at the feet of Mt Olympus, starting and finishing in the town of Litochoro, considered to be the hardest ultra-trail race in Greece. The **route** crosses temperate woods and alpine meadows to approach the peaks of the mountain reaching up to 2905 meters of elevation at its highest point. Almost 90% of the route is on technical paths and the remaining 10% on paved and dirt tracks. The **time-limit** is 34 hours, with 13 refreshment points and a maximum number of 200 participants.

Greece thus enters the [international circuit of races](#) of the TORX® community, already comprising Cursa di Ciclopi, GTC100, TOR130 – Tot Dret and The North Face Malaysian Mountain Trail Festival.

*“We are happy to finally announce the entry of Salewa Olympus Mythical Trail into the TORX® eXperience circuit - says **Alessandra Nicoletti**, president of VDA Trailers. We are receiving requests from all over the world and we will soon announce new collaborations”.*
