

**TOR DES GEANTS® 2016**  
September 11-18, 2016

**An extraordinary challenge in the heart of the four giants of the Alps!**  
**One of the highest peaks in WORLD, on the ENDURANCE TRAIL**  
**330 km and 24,000 meters of ascent along the High Routes of Valle d'Aosta**

### **OSCAR PEREZ, THE SPANISH TRAILER BOUNDED TO THE TOR PODIUM**

Oscar Peres, second at the finishing line of the Tor des Géants® 2016 at 6h from Oliviero Bosatelli. So in 81h, less more. The Spanish trailer confirm to be a fidel subscriber to the Tor podium, with a victory and two second places. Hugs, interviews, photos, declarations, first of all of fidelity to the Tor and to the Aosta Valley people. Now a deserved remarry to recover from the effort ("I try to press Bosatelli, but it doesn't march.

He's too strong! So I decided to continue the race in a more controlled rhythm") until the price giving ceremony of Sunday morning. In the afternoon of the same day has to do an other Tor ... a car Tor of twelve hours to come back to his little village of twenty people ("You can move just walking, it's why I'm trained", he joke) up to the mountains in the heart of the Pyrenees, near the historical city of Huesca, twenty km from the French boundaries. There, the loved spaniard trailer work as a electrical system maintenance technician.
